9/21/72 Dear Jerry, With so much happiness to bring to so many, I am sure you can understand that I couldn't make enough copies. Therefore, souls of "good conscience" that you are - you do say so yourself - please send this to Mary when you read it. He may not have a copy of Graham's today's piece. I am sure you will make the day on which he gets it if you make a xerox for him. Make everybody happy! Harold. cc Mary Wilkener.
